If you would like your organisation to be included in future editions or advise any corrections, please contact the Parish Clerk at Roffey Millennium Hall, Crawley Road, Horsham, RH12 4DT (tel: 01403 750786; email: parish.clerk@northhorsham-pc.gov.uk).

Every effort has been made to ensure information and telephone numbers in the guide are accurate. Material has been researched from publicly available data and verified to the best of the Parish Council's abilities. The Parish Council, however, does not accept liability for any errors, loss or damage resulting therefrom.

INTRODUCTION

When you need to find the telephone number of your nearest local organisation, address of a local school, local authority services or where to find a local sports club, where should you look?

You could resort to thumbing through page after page of a directory or search the internet. But how much quicker and easier it is to keep this little Residents' Guide at hand.

In this Guide you will find a wealth of local references. The Guide is designed for those living in Holbrook and Roffey areas of North Horsham – *or planning to move into the area.*

The North Horsham Residents' Guide is published in hard copy every two years and is freely available. A similar Guide can also be found on the Parish Council's website: www.northhorsham-pc.gov.uk. **Larger print version available on request.**

LOCAL GOVERNMENT FOR THE AREA

There are three tiers of local government with areas of responsibility in North Horsham – West Sussex County Council, Horsham District Council and North Horsham Parish Council (see pages 22 & 23 of the Guide).

It is hoped the following brief description of each Council's role will help demystify who does what!!

West Sussex County Council's responsibilities include (not an exhaustive list):

- **Adult Social Care**, working on partnership with West Sussex Primary Care Trust and others, to assess the needs of and commission services for older people and those with disabilities, either in their own homes or in residential placements;
- **Waste Disposal**, such as by landfill or possibly in the future, incineration.
- **Children's Services**, supporting school improvement, commissioning services for children and families through Children's Centres, managing fostering and adoption;
- **Transport and Environment**, including road safety; the maintenance of footways, roads and bridges and street lighting; support for public transport; rights of way and access to the countryside; and protection of the Downs;
- **Education**, primary and secondary, adult education, skills for life;
- A range of other services, including Libraries, Archives and Records Management, Trading Standards, Adult Community Learning and the Registration Service.

Horsham District Council's responsibilities include (not an exhaustive list):

- Housing the homeless (ultimately by placement in housing association accommodation)
- Determining planning applications
- Rubbish/recycling collections from premises (domestic and commercial); provision of recycling facilities
- Street cleansing
- Environmental health
- Licensing of taxis, premises and individuals
- Provision of leisure and sports facilities, such as the Pavilions in the Park, recreation grounds
- Collection of the Council Tax on behalf of all three tiers of local government and the Sussex Police Authority.

North Horsham Parish Council currently provides the following for the local community:

- **The Parish Office in Roffey Millennium Hall**, Crawley Road acts as an information point for local residents. The premises were built in 2000. The premises offer easy public access at street level. There is a lift to the upper floor. For further details and activities at the hall see Page 5 of the Guide.
- **Two further Community Halls – North Heath Hall** in St Marks Lane and **The Tythe Barn** in Pondtail Road. Details of activities at these two venues are detailed separately in the Guide (pages 7 to 9).

- The Council also owns **Holbrook Recreation Ground**, Pondtail Road (site of The Tythe Barn) that includes **two multi purpose floodlit courts** – currently used mainly for 5-aside soccer teams and a Netball Club. It is hoped that Tennis Coaching may soon be available also (through The Holbrook Club).
- **Four children’s play areas** owned and maintained by the Parish Council - at **Birches Road, Amberley Close, Earles Meadow and Holbrook Recreation Ground**. Each play area has been either totally renewed or updated in the past three years and are very attractively designed and well used. Other recreation grounds and play areas are the responsibility of Horsham District Council. (see page 10)
- Three **Open Spaces** are owned and maintained by the Parish Council. These are located in **Birches Road, Amberley Close/Rowlands Road and a 13-acre site at Earles Meadow**.
- There are a number of small **allotment sites** throughout North Horsham. The only one owned by the Parish Council is at **Amberley Close/Rowlands Road (18 plots) and is fully booked with a waiting list**. Another site off Harwood Road is leased from West Sussex County Council and currently run by the Harwood Road Allotment Society. Other allotment sites are owned by Horsham District Council (tel. 01403 215100)
- The Parish Council owns and maintains a very **small number of street lamps** – mainly in the Cook Road/Amundsen Road area. They are located in the twittens that join up the houses but do not include any street lights on the roadways. The Council also owns **10 bus shelters**.
- **Part of Roffey Cemetery** is owned by the Parish Council. However, all maintenance is undertaken by Horsham District Council who charges the Parish Council accordingly.
- There are 10 Parish Council **noticeboards** around North Horsham, which are used for the display of Parish Council meetings, Agendas and a list of Councillors.

A BRIEF HISTORY

North Horsham Parish Council is proud to commend the Booklet “**A History of North Horsham Parish – To Celebrate the Millennium**”. The Booklet was written by Dr Annabelle Hughes and takes the reader from the first recorded mention of the place name Horsham in an Anglo-Saxon Charter of 947; and through the centuries to 2000. The Booklet gives a fascinating insight into the historical families of the Parish, the way the land has developed and interesting details about Parish buildings. The Booklet is available from the Parish Office, at a cost of £2.75.

The Council is looking to start a Project involving gathering together local photographs of both Roffey and Holbrook as they were in the past. Apart from being shown on the Web Site, there will also be displays at Roffey Millennium Hall.

COMMUNITY HALLS FOR HIRE

Roffey Millennium Hall in Crawley Road is the home of the Parish Council and is the Council's administrative centre.

There are two large Halls, both of which have recently benefited from the addition of acoustic panels, creating a very pleasant environment for business conferences, as well as for the many groups that use the building.

There is also a number of other rooms which can be used for a wide variety of purposes, including business meetings.

Holbrook Tythe Barn in Pondtail Road is set in its own beautiful grounds. The venue is ideal for private parties, including smaller family gatherings, children's parties and smaller wedding receptions.

In the grounds there is a children's Play Area and Multi Sports Court complex offering football, netball and tennis.

North Heath Hall in St Marks Lane (off North Heath Lane) has a large Hall and is ideal for larger private parties. Other smaller rooms are also available for hire. The Hall is set in its own grounds, with a delightful garden to the rear.

**To find out more and make your booking contact the
